

## Designing and Application of Auger Piles

Arthur J. Stephens, P.E.

Tolunay-Wong Engineers, Inc., Houston, TX

The following is the abstract of the overview on auger cast piles for the March 2, 2001 conference, Panel 5.

- ◆ Contractors, Types, Typical Sizes and Depths, Applications
- ◆ Construction Sequence
- ◆ Typical Equipment Setup
- ◆ Typical Grout Characteristics
- ◆ Pros and Cons
- ◆ Geotechnical Concerns
- ◆ Construction Monitoring
- ◆ Load Testing
- ◆ Non-Destructive Testing
