

PLANS AND PROJECTS FOR U.S. ARMY CORPS OF ENGINEERS

Harrison T. Sutcliffe, P.E.
Chief, Engineering & Construction Division
U.S. Army Corps of Engineers
Galveston District, 409-766-6373

A brief overview of the Corps of Engineers and more specifically The Galveston District's programs and missions. Also discuss the part that the Galveston District has played in Hurricane Ike recovery efforts, the American Recovery and Reinvestment Act (ARRA/stimulus) work, and the Addicks and Barker Dam Safety Project.
